Press Release

Fulton Communications continues expansion by opening offices Houston and Dallas, TX

Industry veteran Gary Giddings tapped as Managing Partner to lead effort in Texas

Norcross, GA October 10, 2011: Fulton Communications, the leading provider of VOIP solutions, announced the opening of their eleventh and twelfth offices today. The new offices will be in Houston and Dallas, Texas and will be led by accomplished industry veteran Gary Giddings.

Giddings brings over 20 years of sales leadership and success in the telecommunications industry to his new role at Fulton. Gary started his career in the communications industry in 1987 with TSI which was acquired by Inter-Tel in 1991. Gary served in various capacities and received a multitude of awards for sales excellence. In the past 20 years of his career Giddings has served in positions from Sales Manager to EVP of Sales. "We are very fortunate to have someone the caliber of Gary join our family at Fulton Communications" said Ben Treadway, CEO of Fulton Communications. "I've known Gary for many years since our days together at Inter-Tel and his Houston office was always a top producing branch." commented Treadway.

"I'm very excited to be re-united with Ben and his team at Fulton. Ben has really grown the business in a few short years and I'm looking forward to being part of the explosive growth moving forward" said Giddings.

About Fulton Communications: Fulton Communications is the leading provider of advanced VOIP applications including unified communication, collaboration, mobility, and other advanced telephony software applications. Fulton has been providing technology solutions for over 46 years and brings a rich heritage of providing outstanding solutions that provide a solid return on investment (ROI) for the end user.
