Press Release

Fulton Communications continues expansion by opening Baltimore, MD office to provide coverage for the Greater Washington DC market

Norcross, GA June 1st, 2011: Fulton Communications, the leading provider of VOIP solutions, announced the opening of their ninth office today. The new office will be in Baltimore and will be led by Neil Sabot and Kathleen DeBlasio. Both Sabot and DeBlasio bring over 20 years of telecommunications experience to Fulton most recently as key executives with Mitel Networks.

“As our key partner, Mitel, executes on their new plan on growing the business through the channel it continues to make sense for Fulton Communications to expand, especially when we can acquire proven talent such as Neil and Kathleen.” said Ben Treadway, President and CEO of Fulton.

“We are very excited to become a part of Fulton and continue to maintain and grow our relationships here in the DC Market,” said Sabot. “I’m looking forward to continue being able to bring the award winning suite of solutions Mitel has to offer to the market here and having the resources of one of Mitel’s largest partners in North America to support us,” commented DeBlasio.

About Fulton Communications: Fulton Communications is the leading provider of advanced VOIP applications including unified communication, collaboration, mobility, and other advanced telephony software applications. Fulton has been providing technology solutions for over 46 years and brings a rich heritage of providing outstanding solutions that provide a solid return on investment (ROI) for the end user.
