Press Release

Fulton Communications continues expansion by opening offices in Springfield and St. Louis Missouri

Industry veteran Glenn Huskey tapped as Managing Partner to lead effort in Missouri, Illinois and Kansas

Norcross, GA December 1, 2010: Fulton Communications, the leading provider of VOIP solutions, announced the opening of their fifth and sixth offices today. The new offices will be in O'Fallon (St. Louis) and Springfield, Missouri and will be led by accomplished industry veteran Glenn Huskey.

Huskey brings over 35 years of sales leadership and success in the telecommunications industry to his new role at Fulton. Glenn will continue to lead his team and support Fulton Communication's customers in the rich 46 year heritage of "trusted advisor." Previously Glenn has served successfully in several key high profile leadership roles within the communications industry over the last 2 decades. As Regional Vice President for Inter-Tel Technologies, Senior VP/US Sales for Mitel Corporation and national account sales for ATT Glenn brings a rich experience of leading dynamic sales organizations to great accomplishments.

"We are very fortunate to have someone the caliber of Glenn join our family at Fulton Communications" said Ben Treadway, CEO of Fulton Communications. "I've know Glenn for many years since our days together at Inter-Tel and his offices have consistently met and exceeded any expectation I had for them" commented Treadway.

"I'm very excited to be re-united with Ben and his team at Fulton. Ben has really grown the business in a few short years and I'm looking forward to being part of the growth moving forward" said Huskey.

About Fulton Communications: Fulton Communications is the leading provider of advanced VOIP applications including unified communication, collaboration, mobility, and other advanced telephony software applications. Fulton has been providing technology solutions for over 46 years and brings a rich heritage of providing outstanding solutions that provide a solid return on investment (ROI) for the end user.
